

The Pharr Oratory of St. Philip Neri School System

2017 Science Olympiad

Sponsors: L. Maldonado & A. Medina

Our teams met with great success at this year's Science Olympiad competition! Our students came home with a variety of awards. We are proud to present to you the teams that fought hard to earn a place in the top 4 of their event.

Middle School (Oratory Academy of St. Philip Neri)

Towers – Willem Van der Maal, Xavier Aguirre (1st place)

Crime Busters – Pablo Herrera, Juan Niño (2nd place)

Bottle Rocket – Nicolas Meehan, Claudio Yruegas (2nd place)

Anatomy & Physiology – Simon Sy, Mauricio Vergara (4th place)

Road Scholars – Emiliano Garcia, Willem Van der Maal (4th place)

High School (Oratory Athenæum for University Preparation)

Helicopters – Ana Romero, Carolina Resendez (1st place)

Towers – Rosendo Gonzalez, Andres Zuniga (2nd place)

Electric Vehicle – Ana Romero, Carolina Resendez (2nd place)

Write It Do It – Andres Zuniga, Nicholas Garcia (2nd place)

Optics – Ana Romero, Valentina Gomez (2nd place)

Experimental Design – Nairi Garza, Karla Selvera, Kennedy Castillo (3rd place)

Robot Arm – Nicholas Garcia, Andres Zuniga (3rd place)

Rocks & Minerals – Kennedy Castillo, Valentina Gomez (4th place)

Congratulations to these and to all of our students who participated this year.
